First Down with Fr. Eric

Dear Friends,

Last weekend we had the honor of helping family members across the state visit their loved ones at Perryville - the only AZ Women's Prison. The great work of Katie Woodward and a good number of parishioners, who spent hours interviewing family members and seeing to other pre-arrangements needed, made this possible. I am grateful to all of them and the many others who made this special day possible. This ministry helps us live Matthew Chapter 25 of visiting those in prison.

Three buses with 130 people including five volunteer counselors from Catholic Charities to help with the difficulty that a family member might go through, is a great sign of comfort and support to loved ones in prison. I know of one parishioner who told me they will be driving to San Carlos on the reservation to bring the family to the parish to get on the bus and then return them home that evening. This story and the many other stories make me so proud to be your Pastor.

Outreach/Social Justice is central to our Catholic faith and the misunderstanding and myths that are created by people who are afraid of understanding Biblical Justice and Outreach are opportunities to have a conversion, thanks to parishioners and many other people who do great things to care for others.

Again, my gratitude to the many people who made this event possible and it will be done again next year.

Peace in Christ,

Fr. Eric

Christian Disciples in Mission Living Beyond Sunday

Christian Disciples in Mission....Prayer Shawl Ministry

Dear Ministry Members:

It is with great appreciation for your Ministry that I share my experience with you. . Approximately six weeks ago, Bertha Koedell, gave me a gift of a Prayer Shawl. This past Christmas Eve my heart went into AFIBULATION to my great distress. I have had a heart attack, surgery and a stroke which increases the AFIB's chance of another heart attack or stroke which alerted my medical team. Spirituality and prayer are essential to this 83 year old. Bertha's gift was much appreciated. My belief is that life and healing is based on God, Family and Friends without which we cannot exist.

NOW, I will tell you of my miracle centering on your Prayer Shawl and God's blessing. Received Bertha's gift on a Wednesday and wore it while praying my daily rosary. The Shawl is warm and beautiful. To correct my Afib the doctors in January did an ablation within my heart's left ventricle, February, paddles/electrical shock and in March implantation of a Watchman within my heart's left ventricle. My heart remained in AFIB. On Thursday, the day after receiving my Shawl, I again wore it while saying my daily rosary and YES, my heart resumed normal sinus rhythm. I alerted my wife and thanked our good Lord for my recovery. Today, I am in normal sinus rhythm! My Cardiologist is happy saying the heart must have healed from the January ablation. I believe that Your Shawl/God proves the power of prayer. Prayer and my Shawl were worn when my heart converted to normal rhythm.

Thank everyone for your ministry and the work you do, MAY GOD BLESS YOUR EFFORTS! I will treasure my Shawl forever and the blessings it has brought me.

Thank
you!!

Thank you to all who participated in our Spring Synod Listening Sessions! Together, let's be part of the changing shift of how to BE CHURCH! Keep an eye out for our Summer Synod Listening Sessions!

WELCOME Kathleen Trilk!

Kathleen has accepted the Coordinator of Parish Nurse Ministry position. Stop by the table after Masses this weekend to meet her and give her a warm St. Patrick welcome!

Gratitude, prayers and blessings for Sandy Meyers as she moves into retirement! Sandy will not be leaving St. Patrick. You will find her ministering in her favorite ministries and new ones as well!

Stewardship

If you're reading this then it means you woke up this morning. If you woke up this morning, it means God has a mission for you today. It may be huge; it may be small. It may be frightening; it may be fun. It may challenge you to persevere or it may push you to trust more deeply than ever before, but make no mistake, God has a mission for you that only you can fulfill. Do you want in?

Plenty of daily missions go unfulfilled. Many followers of Jesus are standing around, heads in the clouds (much like the apostles at the end of the first reading), wondering what to do next. The apostles had an excuse as they had not yet received the Holy Spirit at Pentecost (that happens next week). You've been baptized, though. You've most likely been confirmed. You're not lacking in the Holy Spirit. So, what's your excuse? Are you out proclaiming Christ to the nations? Do others see your bold witness and seek the Sacraments that bring you such confidence and joy? Have "the eyes of your hearts (been) enlightened" as St. Paul put it to the Ephesians in the second reading?

Either Christ rose or He didn't. Either Jesus ascended or He didn't. These are amazing truths that call us to an amazing response. All God needs is your permission to make you a saint.

A great adventure awaits you today and your "yes" is all God needs. So will you accept the mission and get to work or stand around staring at the sky?

DRIVE A GOLF CART

Change a life!

Why Drive? It's rewarding...

- To assist those who truly need help getting to the church.
- To be an ambassador of our faith community to out-of-town visitors.
- To serve families with kids. Kids love to ride the carts and it enhances their liturgical experience. (Who knows, it may be the reason they bring their own family to church when they grow up.)
- People often are disoriented by the large sections of parking and they value the personal assistance to safely find their way back to their car.
- You're already coming to Mass, why not try serving in a ministry while you're here?

St. Patrick Annual

WATER HYDRATION DRIVE

MAY 6 - JUNE 11!

Each year as it starts to warm up, St. Patrick Catholic Community collects water bottles to distribute to the City of Phoenix's "Heat Relief Network", that offers free water and indoor areas to cool off at 55 different locations across the valley! We also donate water to St. Vincent de Paul and The Andre House.

THIS YEAR'S GOAL:

365,000 BOTTLES

2 WAYS TO DONATE:

1: CASES OF WATER

Bring a case of water with you to any Mass between May 6- June 11

2: "WATER-LITE"

You send the money, we'll buy the water... no heavy lifting!

\$5 = 55 BOTTLES \$10 = 110 BOTTLES \$20 = 220 BOTTLES

www.stpatcc.org

On the top right corner, select "Give Online" and then select "Water Drive"
(You can also mail in a check - please write "Water Drive " in the memo line)

90% of all financial donations will go towards the purchase of water bottles. The other 10% will support **Catholic Relief Services** and the **Sisters of Notre Dame de Namur's Clean Water Project**.

Social Justice

Why We Collect Water

People who do not have a regular water source during the extreme heat are dependent on the water brought to them by the community.

Our Charity foot of **Social Justice and Outreach** addresses the immediate need for those who are most vulnerable in our community. Catholic teaching proclaims that a basic moral test is how our most vulnerable members are faring. The sanctity of human life and the inherent dignity of the human person is the foundation of all the principles of our Catholic Social Teaching.

During our summer months, we collect water for organizations that provide this basic necessity to those struggling with and experiencing homelessness. According to a recent article by PBS, extreme heat beats out hurricanes, tornadoes, and floods as the leading cause of weather-related death. Many of us have the opportunity to shelter ourselves indoors with regulated temperatures. For those living on the streets, shelter usually means some sort of canvas tent which absorbs heat and actually increases the temperature by roughly five degrees. Those who reside in uninhabited buildings, cars, or sidewalks continue to feel the heat long after the sun sets. This is because of what is called the "Urban Island Effect."

Combined with the lack of vegetation in the inner city, density of buildings, and concrete, the heat of the day remains for hours. Those who are homeless are 200 times more likely to die from extreme heat than housed people. The one life-saving and most essential element that experts agree upon to help those in need is.....Water!

"When someone is dehydrated, it affects everything. They are at higher risk for heat exhaustion and heat stroke, of course, but other health issues are worse, like asthma and COPD. Dehydration puts you at risk for kidney failure, especially if you have to take diuretics for heart failure, which is very common in the homeless population.

The solution is easy in that they need access to clean water. Our data shows bottled water is the most common source for the homeless population, which means they rely on people to hand it out, or many buy it with their precious funds."

(Brett Feldman, Clinical Asst Professor Family Medicine Director of Street Medicine, Keck School of Medicine of U.S.C.)

Prayer for 5th graders: (Blessing said over our 5th graders at the END OF YEAR party)

Good and gracious God, we thank you for all the many blessings you have given us,
especially the gift of these awesome 5th graders.

To our dear 5th graders, may you understand the deep love God has for you. May you
always remember He sent His one and only Son so that you might live. May this example
of love set the standard for the way you love others throughout your lifetime. Never
forget God fills you with His love so you, in turn, can give that love away to others.

May you KNOW that God is here—He sees you. May you feel His presence, listen for His
voice, and experience His love. May you have eyes to see God working all around you,
and may you know and never forget God is with you and wants you to know Him.

May you always remember you have a place here at St. Patrick, a spiritual home, a place
YOU belong. We love you. Now go spread your wings, fly up to EDGE. Share with those in
EDGE the goodness we have enjoyed in you. You are special and loved! AMEN.

EDGE

If you have any questions about EDGE for 6th, 7th and 8th graders, please
contact the EDGE Coordinator, Thomas Bestul, tbestul@stpatcc.org.
