Dear Friends,

This month marks the beginning of another school year for our children, youth and adults. We will be offering our annual school blessing for all students of every age and level, along with all instructors and those who work in a school setting at all our weekend Masses on the weekend of August 12-13.

Our blessings go towards the little ones who are going to school for the first time and that their experiences are good ones. We bless the children in elementary school that they will enjoy their teachers and make new friends. The middle school and high school youth will be blessed as they become young men and women who are able to use their knowledge to serve others. For college students and all young adults, older adults who are signing up for ongoing education, that their efforts may be blessed. We include everyone who works in the school setting from those who are noticed and seen, and for those who do things behind the scenes, not noticed by many, but are vital to the function of the school setting. During these times we also include the safety of all students and school personnel that everyone be kept safe from all danger and harm. We pray that these places become the sacred and safe places they once were.

Please remind your friends and neighbors about the school blessing next weekend. We would love to have them join us to ask God to watch over them.

Peace in Christ,

Fr. Eric
Beyond Sunday Construction...making progress!

St. Patrick Leadership...This week, four members of our staff attended a church technology conference in Glendale, AZ that was hosted by our database and website provider. Mary Permoda, Sue Orlando, Mary Sanicola, and Liam Kowalczyk learned new ideas for St. Patrick to improve our experience and reach new people to have a relationship with Jesus. We are committed to drawing us in to Know, Love and Serve God more!! Stay tuned for new opportunities to access resources and community digitally. Our staff is deeply grateful for the generosity of our community and the ways the staff can return that generosity by improving our technology at St. Patrick.

Life Teen on the Move!
Last week, our Life Teen group traveled to Julian, CA for a week of deep encounters with Jesus, fun, games and time outside (sometimes getting messy!). Our generous parishioners who give their time and money help to make experiences like this possible for our youth.

St. Patrick Leadership...St. Patrick leadership is composed of Fr. Eric, Pastor, Ministry Leaders, Stewardship Council, Finance Council and Staff. Please pray for St. Patrick Leadership as we kick off our new ministry year on retreat Saturday August 19 right here on campus. We will hear Fr. Eric’s theme and focus for the year and through prayer and community, we will commit to working together to become all we can be as community and individually - walking together ever closer to our loving God. Stay tuned for the grand revealing of our parish theme for next year after the retreat!
Stewardship

God is timeless, we are not. This simple premise is vital to remember when looking at Scripture or at our lives, in general. All things are present to God who exists outside of space and time. Often, we get frustrated or experience fear and anxiety when we try to put God on our timetable, but we can’t put the Timeless One “on the clock.” In the midst of our sufferings or trials, for instance, our humanity wants a divine solution and antidote immediately, but if God worked on our watch, He wouldn’t be God — we would.

In this week’s readings, we see the apostles given a great gift and “glimpse” of what is to come, when they behold Christ in His glory. It was like the Lord pulled back the curtain and allowed His closest followers into the throne room of heaven to give them a foreshadowing of what awaits us. God did this, in part, to strengthen these three apostles after the prediction of His impending suffering and death. How often, in the midst of your own stress or fear, do you call out to God asking for some kind of assurance that it is all going to be okay and work out? Knowing the pain that was to come, the Lord mercifully gave them a vision of what is eternal to remember during the pains to come that would be temporary. Notice the power and stature that the throne and words like “dominion” and “kingship” evoke in the first reading from Daniel. That book was written about a time of great persecution and enslavement of God’s children, yet we hear the victorious language. St. Peter’s letter, too, was penned as a boost for Christians who were undergoing torturous threats, violence, and martyrdoms under Roman rule.

This Sunday and its readings ought to offer us all hope that no matter how bad the struggle is, nor how intense the suffering gets, those who know the Lord will emerge victorious in due time — which is God’s time.

If you are signed up with an "@cox.net" or "@aol.com" email, you will no longer receive emails from us beginning in July. If you begin to not receive the Community Connection email in July, please call the office and we will be happy to help you with this change.
Moms at St. Patrick is an open, accepting place for all mothers, from pregnancy through grown children, to come and experience authentic community, personal growth, practical help and spiritual hope. Come experience companionship with women who understand how much it takes to be a mother.

Social Justice

This Fall, 2023 St. Patrick Catholic Community once again will be offering the JustFaith Formation Sessions that guides our charity and justice response into the wider community….and the world!

The following JustFaith topics will be offered, giving you opportunities to: 1) Gain a deeper knowledge about these social issues, 2) Understand further the lens of our faithful response, and 3) Allow space in your heart for transformation and compassion.

Faith and Racial Equity: This topic takes a deeper dive into specific issues related to power and privilege, including affirmative action, the school-to-prison pipeline, the criminal justice system, and powerful biases in media representation. As with all JustFaith programs, participants will explore how their faith should inform their response to their learning, as well as discern action steps for working toward racial equity in their own communities.

Faith and Immigration: In the safety of community, and with the help of resources from a variety of perspectives, your small group will explore misconceptions and truths around immigration, as well as discern how our Christian faith calls us to respond. Your group will hear and read the stories of immigrants, and they will explore current topics such as family separations, DACA, TPS, and border security.

Hunger & Food Insecurity: This issue may challenge not only those affected by hunger, but also your own thinking about food insecurity, its causes, its impact, and viable steps to eliminate it. Groups explore themes including food deserts, food insecurity and nutrition, SNAP, the effect of the U.S. racial wealth gap on food insecurity, underemployment and food insecurity, food waste, public policy around farming, and COVID-19's impact on hunger.

Watch for further information in the coming weeks about sign-up information, dates, times and locations for these Fall sessions.
