## First Down with Fr. Eric

Dear Friends,

Traditionally our country sees Labor Day Weekend as the ending of summer travel, vacation or a different rhythm to life, and now we turn to the routine of school, work and activities.

Our country takes Monday as Labor Day, the opportunity to honor the work force. Our Catholic faith reminds us that work/employment is an important part of our human dignity. To use our hands, gifts, and talents to contribute to the common good is the ideal we strive towards.

These past couple of years have seen a huge shift in the way we look at workers. The struggles of businesses trying to fill openings, workers taking more ownership of where they want to work, reconsidering what one desires from work, and the need for owners and management to have a new perspective in how workers are treated. This could end up being a good thing in the way employees are treated and viewed. It is currently frustrating for many, but with this change happening, it can be a new way we deal with one another.

Today we pray by thanking God for work, the opportunity to use our energy for the common good, to support our loved ones. We know there are some who are searching for employment, those who struggle with finding joy in their current places of employment.

We also remember those whose professions serve the whole of society through leadership, first response, providing food, shelter, energy supply, and health services.

May the Lord give success to the work of our hands.

Peace in Christ,

Fr. Eric

## Christian Disciples in Mission Living Beyond Sunday

BY MARY PERMODA,  
Director of Pastoral Activities

Welcome Bishop Dolan!!!

The Ministry Leader, Stewardship Council, Finance Council and Staff "Combo" Retreat ***Called to Lead*** was a great success! Our own Paul Hillebrand and Fr. Eric led our day of prayer beautifully. Our annual theme this year is "**Gather - Proclaim - Break - Send.**" These four actions will be broken open seasonally this year - from now until Advent our focus is on **Gather**. Fr. Eric kicked this theme off parish wide on August 20/21. Won't you come GATHER with us????

## Foster Care Families Needed for Refugee Children

"For I am the LORD, your God, who grasp your right hand; it is I who say to you, do not fear, I will help you." Isaiah 41:13

The Unaccompanied Minor Program provides foster care to youth between the ages of fifteen and twenty years old. These youth are amongst the most vulnerable and in need of foster care because they are alone and often have no one in the country to depend on for help and support. They are in an unfamiliar environment, have limited knowledge of the English language and are experiencing the loss and pain of being separated from their families.

Visit us at [www.catholiccharitiesaz.org](http://www.catholiccharitiesaz.org) and click on "Ways to Give" to help us make miracles for our children and families in need.

## Stewardship

Almighty God, we thank you for all the gifts You have given us; our lives, our loved ones, all that we have and all that we are. Most of all, we thank You for Jesus, Your Son and our Redeemer, who came among us to show us the way to eternal life. Jesus was the perfect steward of Your gifts, showing that complete trust in You is necessary, and that giving of self is a most important part of following Him. May the offerings of our time, our talents, and our material resources be made in the same spirit of sacrifice that Jesus taught us by His life and death for us. Amen.

### Affordable Housing

The Arizona Department of Housing (ADOH) is the conduit for funding new supportive and affordable housing in our state.

Over the past 25 years ADOH has funded more than 50,000 housing units throughout Arizona, with more than 3,500 currently under construction. The sources of ADOH's funding includes federal and state Low Income Tax Credits, federal HOME funds, federal Community Development Block Grants, the federal and state Housing Trust Funds, and since the pandemic, American Rescue Plan (ARP) funds including State and Local Fiscal Recovery Funds.

Since 2021 the Agency has been designated by the Governor as the point agency for homelessness as well, bringing together homeless-to-housing resources of various state agencies: the Arizona Health Care Cost Containment System (AHCCCS); Arizona Department of Economic Security; Arizona Department of Health Services; Arizona Department of Corrections; and Arizona Department of Veterans Services. As part of this process, these agencies meet every other week with homeless and healthcare providers to share information, community challenges and financial resources. The results of these ongoing meetings have been to identify immediate needs, better leverage private and public funding, and improve communications between sister agencies and those we serve.

Since the COVID pandemic began, Governor Ducey has announced more than \$240 million in grants and funds aimed at assisting the homeless as well as keeping people in their current homes. One ongoing need being addressed is to help find "reentry housing" for those leaving prison. There are thousands of individuals who can't even begin the process of rebuilding their lives due to the extreme housing shortage in Arizona. An excellent example of creatively meeting this need for reentry housing is Hickman Farms in far west Maricopa County. In order to meet the need for workers, the Hickman Family built housing for those leaving prison who choose to work for Hickman Farms. With no local, state or federal assistance, the Hickman family has sparked a new model for reentry housing, one which we at ADOH hope we can build upon over the next 24 months using our federal and state funding resources.

Our mission is to house Arizona residents and provide the resources to non-profit organizations to meet that need. With current funding and a new collective effort, Arizona is moving the needle in the right direction.

*This bulletin article was composed by Director Tom Simplot, Arizona Department of Housing, who is a strong advocate for ensuring that programs are established to create, preserve, and invest in affordable housing statewide.*

## Five L's of Leadership...Paul Hillebrand

A couple of weeks ago I had the privilege of leading our annual Ministry Leaders, Finance council, and our Staff Retreat Day here at St. Patrick.

It was a great opportunity to see cherished friends and ministers here at St. Patrick and also meet some new people who have heard the call and are getting involved here at St. Patrick.

Our Theme for the day was *Called to Lead* and I lead the first part with some reflections on leadership and on our individual call to ministry. Fr. Eric led the second half of the day laying out our new theme for the coming year; Gather, Proclaim, Break, Send.

I was trying to research leadership and what are the top qualities of a leader and man, are there some great suggestions on the Internet! I decided to come up with my own from what I read, and I thought I would share them with the rest of the parish. So since I was talking about leadership, I decided to make the Five L's of Leadership.

### Love

Love unconditionally - Love yourself and others,  
You can't give, what you don't have

### Listen

Listen with empathy, be humble, hear with your heart

### Laugh

Laugh at the struggle, have resilience, be grateful in all things

### Learn

Learn from your team, and help your team learn

### Lead

Lead by example, good communication,  
Share your vision, have accountability, and positivity

We also reflected a great deal on our personal call to ministry; when was it, who called or invited us, did we invite ourselves because we heard a still small voice inside giving us the courage to reach out to become involved?

We realized that our parish has, like others, had fewer people involved in their ministries as of late. Could I invite you to consider becoming a minister in one of our many ministries here at St. Patrick...WE NEED YOU!!! (The Choir sticks out as a good option..Haha).
