First Down with Fr. Eric

Dear Friends,

This Wednesday marks the beginning of another Lenten season. Ash Wednesday is a day very familiar to Christians everywhere with the ashes marking our foreheads. It is one day where people everywhere look at Christians and either ask about the mark on their forehead or are reminded that Lent is beginning.

Here is the Ash Wednesday service schedule. Mass for the day will be at 8:00 am with ashes at the end of Mass. The other services are called Word (Scripture) Service with Prayer and Ashes. The times are 6:30 am, 10:00 am, 12:15 pm (live-streamed/on demand), 4:15 pm and 6:00 pm.

BIG MONDAYS begin on February 27 for presentations and other events for people to gather on Mondays. The first talk will be with Jill McMahon and Fr. Eric on helping parents guide their children post-COVID. Some challenges still exist and we have a great evening planned beginning at 6:30 pm.

The Second Sunday of Lent, March 5, the Crosiers Religious Community will join us for all weekend Masses to preach and offer the Sacrament of the Anointing of the Sick for everyone needing healing.

Parishioners that are registered should have received their Lent/Easter packet in the mail.

Blessings this Lent/Easter season.

Peace in Christ,

Fr. Eric

DRIVE A GOLF CART *Change a life!*

Why Drive? It's rewarding...

- To assist those who truly need help getting to the church.
- To be an ambassador of our faith community to out-of-town visitors.
- To serve families with kids. Kids love to ride the carts and it enhances their liturgical experience. (Who knows, it may be the reason they bring their own family to church when they grow up.)
- People often are disoriented by the large sections of parking and they value the personal assistance to safely find their way back to their car.
- You're already coming to Mass, why not try serving in a ministry while you're here?

ATTENTION PARENTS

PARISH VERIFICATION INFORMATION

from the Diocese Catholic Schools Office

For parents registering their children for the **2023-2024 school year**, please note: In order to receive the school's reduced Catholic Tuition Rate, your pastor must determine whether your family meets the criteria set by your parish for **Registered, Active, Participating members**. The definition of registered, active and participating varies by parish, but usually includes attending Mass regularly as well as contributing online or with an envelope to the offertory along with participating in the ministry life of the parish. If you have questions about your family's status, please contact the Parish Office.

Note: All Diocesan high school students receiving the reduced tuition rate for the coming year must have their status verified by their home pastor.

For St. Patrick Catholic Community Parish School Verification, parishioners must be registered, active and participating members for a minimum of six months prior to submitting their form for verification. For further requirements, please contact **Torri Winn** at twinn@stpatcc.org.

Social Justice

We recognize Mae Jemison during Black History Month in this month of February. Mae was born October 17, 1956 and went on to become the first African American woman to travel in space in 1992. Born in Alabama, her family soon moved to Chicago, Illinois. After graduating high school in 1973 when she

was 16 years old, Mae attended Stanford University and graduated with a Bachelor of Science degree in Chemical Engineering and Bachelor of Arts degree in African-American Studies.

She went on to obtain her medical degree from Cornell University in 1981 and from there became an intern at LA County Medical Center. While obtaining her medical degree, Mae also traveled to Thailand where she worked in a Cambodian refugee camp. In 1983, she joined the Peace Corps and served as a medical officer for two years. She is fluent in Russian, Japanese, and Swahili languages.

Growing up, Mae was always interested in space exploration. In fact, she was inspired by actress Nichelle Nichols who played Lt. Uhura on Star Trek. She applied for the NASA astronaut program in 1987. She was one of the 15 people chosen for the NASA Astronaut Group 12 program out of 2000 applicants! On September 12, 1992 Mae and six other astronauts went into space on the space shuttle Endeavor. This voyage made her the first African American woman in space. Her team made 127 orbits around Earth before returning eight days later to Florida.

Mae left NASA after six years but is still involved in space projects. She is leading the 100-Year Starship project to make sure human space travel to another star is possible. Way before that, though, she actually got to star in a Star Trek episode herself in 1994. She currently lives in Houston and stays very busy by serving on the Board of Directors on at least ten organizations over the years.

If you or someone you know is having thoughts of suicide, please contact the **National Suicide Prevention Lifeline at 988.**

Individuals experiencing suicidal thoughts or other mental health crises can call a new three-digit hotline, **988**, to get help.

The National Suicide Prevention Lifeline was previously reachable through the 10-digit phone number 1-800-273-TALK, which will still be operational as **988** rolls out, but the three-digit number is meant to help people "better remember and more easily dial" the number to seek help.
