First Down with Fr. Eric

Dear Friends,

We might be familiar with a belief that says when one gives loyalty to another person or to a group, there should be some understanding that one is supported, protected and enjoys benefits for that loyalty. There can be an expectation by the one giving the loyalty. That is not always the case, and that is not the case in following Jesus.

We read in scriptures and we see people in our lives who follow Jesus, give complete loyalty to him, and yet the person can experience real life situations like anyone else. People who give their lives to Jesus can still get sick, can have injuries, both mental or physical. There is even an early death. Why wouldn't Jesus give special consideration to those who give their lives to follow him? I do not have an answer to satisfy most people. I grieve just like many of you at the loss of people in the business of serving God. Our Diocese just lost two Priests recently, Fr. Scott Sperry, a young man who battled cancer for most of his life. We also lost Fr. Jim Turner to a health issue. He was Pastor at my home parish St. Pius X in Flagstaff, and was the founding Pastor of St. Thomas More. There have been other losses, but I am familiar with these two men. Over the past years I have seen good men who served God in ministry die early. This would include our own Fr. Mark Harrington.

Priests and others who serve God with their entire lives are not immune to suffering and death. I suppose it's a reminder to us who serve to be one with all of God's people. No special privileges, no separation from what people go through. We become one in our joys and suffering in being a human being.

I suppose we can remember just because one thinks they are close to God, we shouldn't think we won't experience bad things. The crucifix in our sanctuary should remind us that Jesus becomes one with people in all things, which includes people who serve God and are called to be one with the people as well.

Peace in Christ,

Fr. Eric

Stewardship

January is a time of New Year's resolutions. I usually set the bar too high, I stumble, and then end up feeling bad. As I reflected on my resolution this year, I asked myself, "What can I do this year that is different"? After much discernment there was a call for a deeper resolution, one that has to do with the heart and a more outward focus.

Ironically, I believe Christ led me, in my new position as Coordinator of Stewardship; I am responsible for communicating information about CDA. **The Charity & Development Appeal** is something I have heard about each year and now give with a deeper understanding for what they do. Please join me in discerning what we can do differently this year. CDA may be your moment to shine the light of Christ to others. On the weekend of February 4/5 we will have more information for you.

The Diocese of Phoenix releases grants each year to 70 organizations that help those in need throughout Arizona, including those that support women's health and pregnancy services, homeless, veterans, unemployed, the elderly and more. The CDA provides Catholic-affiliated agencies the means to continue their missions, such as education and forming future priests, providing for religious education and Catholic education for today's youth, and adult formation through the Kino Catechetical Institute, among other initiatives.

Please consider supporting The Charity & Development Appeal in this new year.

Social Justice

As we finish up the month that brings awareness to **human trafficking**, it is good to be mindful of resources or areas of ministry opportunity for those who wish to serve others. It also may be a time to educate oneself further if you are discerning or exploring areas of studies for law, social work, or counseling.

Loving Father,

We seek your divine protection for all who are exploited and enslaved.

For those forced into labor, trafficked into sexual slavery, and denied freedom.

We beseech you to release them from their chains.

Grant them protection, safety, and empowerment.

Restore their dignity and provide them a new beginning.

Show us how we might end exploitation by addressing its causes.

Help us reach out in support of victims and survivors of human trafficking.

Make us instruments of your spirit for their liberation.

For this we pray through our Lord Jesus Christ, who lives and reigns with you in the unity of the Holy Spirit, one God, forever and ever. Amen

Annually 4,000 U.S. women die from cervical cancer.

~ Over 90% of cases for cervical cancer are associated with human papillomavirus (HPV).

~ Cervical cancer can be prevented through HPV vaccination and screening (Papanicolaou (Pap) and HPV DNA tests). These tests detect abnormal cells that are pre-cancerous.

Cervical cancer was once one of the most common causes of cancer death for women in the U.S.

Screening by the Pap test caused the death rate to drop significantly.

Discuss risks and screening tests with your care provider.
