First Down with Fr. Eric

Dear Friends,

The season of Lent is a very busy time for the parish community. This Wednesday marks the beginning of another Lent/Easter season with ashes being given. Mass will be at 8:00 am and 12:05 pm in the church with ashes. Scripture Services with ashes will be at 6:30 am in the daily Mass chapel, 10:00 am, 4:15 pm, and 5:30 pm in the church. Confessions will be heard from 1:00 - 3:30 pm.

Fridays during Lent will find our Fish Fry in Fenlon Center from 4:30 - 7:00 pm with proceeds going to Habitat for Humanity as St. Patrick builds another house. The Stations of the Cross has a new location which will be in the church at 6:00 pm. Different ministries will lead the Stations.

During Lent our Lent/Easter resource table will be in the Narthex so that everyone can take great resources with them for Lent and even share them with other people.

Our Fall theme will deepen for Lent/Easter, moving from 'Look Twice - I will look twice until I see Christ in you' to the new theme, BE CHRIST - WILL YOU SEE CHRIST IN ME?

Please mark your calendar for the week of April 13 for Holy Week. It begins with Palm Sunday and continues with Holy Thursday, April 17, Good Friday, April 18, Easter, Vigil April 19, and Easter Sunday, April 20.

Blessings on everyone as we begin this Lent/Easter journey.

Peace in Christ,

Fr. Eric

Christian Disciples in Mission Living Beyond Sunday

BY ERIC TAMAYO,
Pastoral Associate

The Three Pillars of Lent

With Ash Wednesday approaching this week we soon begin the season of Lent. Lent is meant to strengthen our faith and center our life on Christ. It is a period of preparation to celebrate the Lord's Resurrection on Easter. During this season we are called to grow in the practices of prayer, fasting, and almsgiving. These are often referred to as the three pillars of Lent.

With these three pillars we journey through Lent to deepen our spirituality and our relationship with God. If we desire to grow closer to God we need to pray. There is no other way around it. Prayer should be a part of your daily routine. There are many different forms of prayer but one of the most difficult things is finding the time to pray. Prayer is never convenient. If you are waiting for a time when prayer is convenient you will never pray. Throughout this season we need to set time apart for prayer so that we can build our relationship with God.

Then there is fasting. Fasting takes effort and dedication as we offer up things in our life for the sake of Christ. By fasting we come to realize more and more what we truly desire. There are plenty of material goods that bring us happiness but only God offers us fulfillment and lasting joy. When fasting we automatically think of the reason why we are fasting and in this way we constantly have Jesus on our mind.

Fasting gives us the opportunity to think of someone else rather than thinking of ourselves.

Almsgiving can also be a very difficult thing to incorporate into your Lenten journey. If you think about it, prayer and fasting both pave the way for almsgiving. Prayer lets us experience the love of God and fasting draws our minds away from ourselves. Almsgiving is therefore the way we share the love of God with those around us. The challenge of Christ is to see God in everyone we encounter, especially in the poor. Almsgiving should go beyond simply donating money. Almsgiving also encompasses giving freely of our time and talent to those in need. Consider the corporal works of mercy like feeding the hungry, giving drink to the thirsty, or clothing the naked.

In Lent we are not called to do only one, but all three pillars to prepare our hearts for Christ on Easter. These practices help us to remember the merciful love and compassion that God shows all people. Part of the journey of Lent is realizing you are not alone. The entire Church and all faithful are preparing for Christ. This season, make your best effort to make this Lent mean something.

Hope
Does Not Disappoint

"We are called to be tangible signs of hope for those of our brothers and sisters who experience hardship of any kind." - Pope Francis

Sarah, a Patient Care Advocate at Foundation for Senior Living (FSL), instills hope and trust in people who all too often have been told "no" in the past. She gets to say "yes" and help patients transition from hospital to home and help with in-home medical supplies, food and housing needs, medicine acquisition, and transportation services, because of the CDA!

Thank you for sharing the hope that does not disappoint through your generous support of the Charity and Development Appeal!

LEGACY

SPRING EDITION

Inspiration, Ideas, and
Encouragement for Grandparents

LENT AND HOLY WEEK OPPORTUNITIES:

+ Talk to your grandchildren about how your family celebrated Lent and Easter when you were younger.

+ Make a visit to Church together and say a prayer.

+ Wash your grandchildren's feet. Jesus' example as a leader calls us to serve others. Talk about His message on Holy Thursday.

+ Plant a small resurrection garden together and watch something come to life.

TIME TOGETHER:

+ Each time you see your grandchildren, end your time together by making the sign of the cross on their foreheads and telling them "God loves you very much and so do I." This quick blessing will leave them feeling loved and valued.

+ This Spring, draw a family tree with your grandchildren and discuss its branches. Talk about each family member and share stories and memories together.

+ Gather some fun props and take a few photos together. Print them out and display in your home for when your grandchildren visit.

Recipe:

HOT CROSS BUNS

Cooking with grandchildren is a memory maker. Recipes are part of the fiber of families. Try this recipe during Lent. The crosses on the buns represent Jesus' love for us.

- 8 oz. can Pillsbury refrigerated crescent rolls
- 1/3 cup of raisins (a snack size box)
- 1/4 cup powdered sugar
- 1 tsp. milk
- Grated peel of half a meyer lemon (optional)

Heat oven to 375 degrees. Spray 8 regular size muffin cups with cooking spray. Separate dough into 8 triangles. In a small bowl, mix raisins and lemon peel. Spoon raisin mixture evenly on the narrow end of each triangle. Roll up to enclose filling and pinch dough to form a ball. Then, press seams to seal. Place buns, seam side down, in muffin cups. Bake for 11-12 minutes, or until golden. Remove from pan to cooling rack, cool for at least 20 minutes.

In a small bowl, mix powdered sugar and milk (icing will be thick). Spoon icing into a small Ziploc bag, and cut off a tiny corner of the bag. Squeeze bag to pipe icing in a cross shape on the top of each cooled bun.

PRAYER:

St. Monica became a saint because of the time she spent praying for her family. We, too, are called to be prayer warriors on behalf of our children and grandchildren.

Lord, bless my children and grandchildren. They mean so very much to me, but they belong to you. Help me to trust that your hand is always upon them. Use me each time I am with them to be a witness. Whether it be through words or example, may I reflect you to my family. Grant me patience as they grow in faith and give me the confidence to know that your timing is perfect. I give you my children and grandchildren, I lay each one of them by name in your loving arms. Amen.

Lenten Almsgiving

Almsgiving is our response to God that comes out of our prayer and fasting. It is an expression of our gratitude for all we've been given and an understanding that works of charity and the promotion of justice is all of our responsibility. In our almsgiving, we are called to keep in mind local, global and parish needs. We encourage you to consider the three-legged stool when you discern your almsgiving this Lenten season.

Local

Habitat for Humanity:

Supports affordable housing in Central Arizona. Habitat brings people to build homes, communities, and hope. They believe in a world where everyone has a place to call home. Follow along in the Habitat Lenten calendar and fill up your Lenten banks to help support this organization.

Parish

Catholic Charities

Community Services:

Supports counseling services for parishioners in need. Catholic Charities offers quality behavioral health services, which can be a life affirming and often life changing gift. Consider supporting these services by designating part of your Almsgiving by placing it in the Catholic Charities envelope.

Global

CRS Rice Bowl:

Supports Catholic Relief Services (CRS), the official humanitarian organization of the Catholic community in the US. CRS assists poor and suffering people in 91 countries on the basis of need, without regard to race, religion or nationality. You can download the app at crsricebowl.org.

Almsgiving helps us to experience giving freely, which leads to freedom from the obsession of possessing, from the fear of losing what we have, from the sadness of one who does not wish to share his wealth with others.

-Pope Francis

Social Justice

Women's History Month and Catholic Social Teaching

Women's History Month, celebrated every March, highlights the achievements, contributions, and struggles of women throughout history. It serves as a reminder of the significant roles women play in shaping society and the ongoing fight for gender equality. In alignment with this observance, Catholic Social Teaching (CST) provides a rich framework for understanding and promoting the dignity, rights, and empowerment of women.

Catholic Social Teaching emphasizes the inherent dignity of every person, grounded in the belief that all human beings are created in the image of God. This fundamental principle calls for a society that values and protects women's rights and promotes justice. CST stresses the importance of solidarity, ensuring that women have access to the same opportunities and resources as men, and advocates for the protection of women from exploitation and violence.

Key CST principles, such as the "Option for the Poor" and "Rights and Responsibilities," highlight the need to lift up women, especially those in marginalized communities, and ensure their full participation in society. The Church also affirms the importance of family and work, advocating for policies that support women in balancing these roles without discrimination or exploitation.

As we observe Women's History Month, Catholic Social Teaching provides a compelling call to action for promoting justice, equality, and respect for women in all spheres of life, honoring their history while striving toward a more inclusive and equitable future.

Nurses Corner

**Do you know how to prevent colorectal cancer?
Take the CDC's quick quiz!**

Can getting screened for colorectal cancer help you prevent the disease? True/False

True ~ Screening helps find precancerous polyps (abnormal growths) in the colon and rectum so they can be removed before they turn into cancer. Screening also helps find colorectal cancer early, when treatment works best.

If you don't have any symptoms, it means you don't have colorectal cancer. True/False

False ~ Colorectal polyps and colorectal cancer don't always cause symptoms, especially early on. But screening can find polyps and colorectal cancer even before symptoms appear.

People at average risk should start screening at what age?
40 45 50 60

45 ~ Your risk of getting colorectal cancer increases as you get older. Most adults should start getting screened regularly at age 45. However, you may need to be tested earlier or more often than other people if you have inflammatory bowel disease, a personal or family history of colorectal cancer or colorectal polyps. If you think any of these things is true for you, ask your doctor when and how often you should be tested.

At what age can most people stop getting screened for colorectal cancer? 60 65 70 75 80

75 ~ Regular screening is recommended for adults ages 45 to 75 who are at average risk. If you are between 76 and 85, talk to your doctor about screening.

The only screening test for colorectal cancer is a colonoscopy. True/False

False ~ Adults at average risk have several types of screening test options for colorectal cancer, including some that can be done at home. Learn about all of the screening test options and talk to your doctor about which is right for you. The best test is the one you do!

Which of these are symptoms of colorectal cancer?

- Blood in or on your stool (bowel movement)
- Abdominal aches, pains or cramps that don't go away
- Unexpected weight loss
- All of the above

All of the above ~ If you have any of these symptoms, it's best to talk to your doctor to see what is causing them.
