# First Down with Fr. Eric

Dear Friends,

Recently in the Gospel of Mark, we heard how blind ambition was important to the disciples James and John. They wanted a place of prestige and honor and the other disciples were upset because.....they beat them to the punch in asking Jesus for this honor. In my opinion, and there is a lot of evidence, the pursuit of power at all costs has made so many people turn ugly. It has brought out the worst in many people. Even Jesus is tempted with power by Satan and he does not give in. So many have given in, and it is now about the end justifies the means. The worst of humanity is now tolerated and blindly overlooked to "win," or have a side win power.

Even Christians have placed aside the Gospel and made politics the lens through which to see the world. I came across a powerful statement from the Diocese of Manchester that offers five principles Christians may reflect on to enter into the role of being good citizens as the scriptures encourage us. These statements might remind us what to remember as we vote in this upcoming election. I encourage everyone to vote, as I have. Our consciences have been formed by the Gospel of Jesus Christ and now we make our choice. Below are the five points about our role in the world. We all can pray for our country in the coming days.

## The Diocese of Manchester's Five Principles for VOTING AS PEOPLE OF THE EUCHARIST

1. **All our actions in the world of politics must make us credible witnesses to the presence of the Risen Lord and prompt other people to wonder about "this hope of ours."** 1 Pet 3:15.
2. **Love - not political partisanship or ideology - is what motivates all our political decisions and actions.** We are involved in politics in order to carry out the Lord's command that we wash the feet of our sisters and brothers, especially those who are poor or who have little standing in the eyes of the world. Jn 13. We must do this work with "heartfelt compassion, kindness, humility, gentleness, and patience, bearing with one another and forgiving one another." Col 3:12-15.
3. **The communion that we celebrate in the Eucharist binds us to other people more powerfully than any political affiliation does.** The Eucharist compels us to recognize in all people, including political opponents, "brothers or sisters for whom the Lord gave his life, loving them to the end." See Pope Benedict, Apostolic Exhortation *The Sacrament of Charity*, §88.
4. **We view politics through the lens of faith, not the other way around.** The Lord has called us for the victory of justice, not for the victory of a particular candidate or party. No political party or candidate responds completely to the demands of faith or of Christian life. See *Compendium of the Social Doctrine of the Church*, §573. In all our actions, it must be obvious that the primary object of our desire is the Lord Jesus Christ.
5. **Our ultimate goal is nothing less than to transform the public square in the love of God through "the offering of our lives, our fellowship with the whole community of believers, and our solidarity with all men and women."** See *Sacrament of Charity*, §§11 and 94.

Peace in Christ,

Fr. Eric

# The Calling Ministry: Reaching Those in Need

Our theme this year reminds us to take a moment and look twice to recognize the presence of Christ in every person we encounter. This is a lesson in recognizing the innate dignity of every human being and treating that person with the love and respect they deserve. It is a lesson of love that Christ challenges us with over and over again in the Gospels. In the parable of the Good Samaritan when asked who is my neighbor, Jesus responds by showing us the person in need is our neighbor and we are called to respond with compassion. The idea of reaching out to those in need or feel forgotten is at the heart of what the St. Patrick Calling Ministry is all about.

The mission of the Calling Ministry is to contact parish households and offer assistance for special needs, as well as provide information on current events at St. Patrick Catholic Community. The Calling Ministry is a great way to personally reach out and touch someone's life by offering a listening ear and a voice of compassion to those in need. There are many in our community who are not able to join us each week due to health or transportation issues. It

is the goal of the Calling Ministry to make sure everyone, especially those who are homebound, know they have a place of welcome and a community who cares for them. The Calling Ministry will soon be starting an ongoing calling campaign targeting our elderly community to receive their prayer requests, address any special needs, and provide information on upcoming events and resources. Being a part of the Calling Ministry is a great way to show compassion and charity to those who otherwise might feel forgotten or alone.

If you are looking for a way to embrace this year's theme or simply looking for ways to reach those in need, I invite you to consider being a part of the Calling Ministry. As a community of faith we hope that no person ever feels alone and that they always have a place of welcome to turn to. For more information and ways to join, you can contact Gina Accola at

St. Patrick has partnered with a new online giving platform called Simple. This new platform is simple to use, secure, fully integrated with our member database and will also save us administrative costs.

Our transition process will begin later this month, but we wanted you to be aware so that if you start to see communication regarding Simple, you'll trust the name and not consider it spam or phishing.

If you're a current giver in WeShare, what do you need to do? Nothing at the moment! We will begin reaching out following Commitment/Stewardship Sunday to those filling out a commitment card for 2025. In mid-January, we will reach out to the remaining givers to make the transition to Simple.

Thank you for your faithful stewardship and for partnering with us in all God is doing through St. Patrick! If you have questions regarding the transition, please reach out to Sue Orlando at [sorlando@stpatcc.org](mailto:sorlando@stpatcc.org) or call 480-998-3843 ext. 119.

That Man is You! stands out as a unique men's program, offering an experience unlike any other.

- It tackles real issues facing real men.
- It looks at the leadership role that has been entrusted to men and addresses the temptations and struggles men face in a culture that attacks authentic manhood.
- Finally, it helps formulate a plan that allows men to overcome these obstacles.

If you are interested in joining That Man is You!, please join us on Wednesday mornings at 6:30 am in the House of Mercy (Pope Francis room). We will be done by 7:50 am.

For more information, please contact John Nichols at: [tmiy@stpatcc.org](mailto:tmiy@stpatcc.org).

### Tax Credit Ministry Weekend

Next weekend, November 2 & 3, is the Tax Credit Ministry Weekend. Feel free to stop by the tables to visit with the different representatives from participating organizations after all Masses.

The end of 2024 is quickly approaching! Several different organizations will be visiting our parish to share with you information about their mission and how directing your state charitable tax donation can benefit both you and their organizations.

Each organization will have a table set up outside of the church doors to help you decide where to put your dollar-for-dollar AZ tax credit. Yes, dollar-for-dollar. This means, the Arizona State Tax Credit program allows you to make a donation to an eligible organization and receive a dollar-for-dollar credit against Arizona state taxes owed. You don't have to pick just one.

Remember to always consult with your tax professional for specific questions.

From my point of view, God is the light that illuminates the darkness, even if it does not dissolve it, and a spark of divine light is within each of us.  
- Pope Francis
