First Down with Fr. Eric

Dear Friends,

We are born into a world that uses electronics to view many things. Some of us grew up with television as families and friends would gather together to watch favorite shows or made for TV movies. Later on, apps and services provided constant viewing of things that interest us. Usually, the viewing causes us to become spectators of events, or being passive and observing what is on our screens.

The positive is, we can enjoy so many things placed before us. The not so positive is we just observe and little active response is necessary. We watch and react only if we choose to. Taking this normal experience to Liturgy, the Catholic Mass, can cause the Assembly (the people at Mass) to remain passive and simply observe the Mass. This is the surest way to become bored without the understanding that the Catholic Mass requires “full, active, conscious participation” at Mass. This means all the People of God have an important role at Liturgy: to respond in prayer together, to sing, which brings our words to a higher place with music, to be aware that we are part of something bigger than ourselves, that the people around us are lifted up by our own prayers.

These next two Sundays, myself and our Parish Liturgist Frank Dominguez will be presenting talks on our Catholic Mass and the Role of the Assembly. We will be reminded of the Church’s expectation of the people gathered for the Mass.

The greater good of Liturgy is when everyone responds to the prayers, and knows that simply being present and not participating is missing what the Mass should be.

We will offer materials on our talks after Masses in the Narthex to take home to review and share with others.

As we shared many years ago, GOOD LITURGY BUILDS FAITH.

Peace in Christ,

Fr. Eric

Christian Disciples in Mission!

A BIG Thank you to parishioners Tom & Judy Lenz! Tom and Judy graciously gave of their time and muscles! They coordinated a huge donation of child friendly furniture from Ascension church in Phoenix (which is sadly closing) to our second, Level II Catechesis of the Good Shepherd Atrium room. This was a huge bonus as we were able to get the room set up before the children come in for their first week on Sept.11. Thank you also to our own maintenance dept. employee Asher who helped with all the heavy lifting and moving as well. God is so good to give us such wonderful, helping hands!

Let Us Give Thanks to the Lord, Our God!

The liturgy is designed to bring about in all those who make up the worshiping assembly a participation of the faithful both in body and mind, a participation burning with faith, hope, and charity. To the extent that we are able to participate in this way, the work of redemption becomes personally effective for each of us.

By such participation, we make the actions and prayers of the liturgy our own; we enter more fully into our personal communion with Christ's redeeming act and perfect worship. In the celebration of Mass the faithful are a holy people, a chosen people, a royal priesthood: they give thanks to God and offer the Victim not only through the hands of the priest but also together with him and learn to offer themselves.

The celebration of Mass is a corporate act, an act of the whole assembly gathered for worship. All the particular ministries serve this corporate function. They should become one body, whether by hearing the word of God, or joining in prayers and liturgical song, or above all by offering the sacrifice together and sharing together in the Lord's table. Because the whole liturgy is a corporate act of the gathered assembly; there are certain parts of the Mass that are to be done by the whole assembly, the congregation of the faithful and all the ministers, in order to express the corporate nature of this act. Through these actions, the entire congregation of the faithful joins itself to Christ in acknowledging the great things that God has done and in offering the sacrifice.

Social Justice

Victims of domestic violence can feel alone, isolated, and may feel embarrassed to speak about this very personal issue. While the National Domestic Violence Hotline (800-799-SAFE) has some comprehensive resources, there is also a local contact point. Catholic Charities Arizona has two programs that can assist those struggling with this issue.

Pathways Program

If you are a victim of domestic violence, and DO NOT REQUIRE IMMEDIATE shelter, the Pathways Program offers support and transition services. These services include safety planning, counseling, court victim advocates and accompaniment, and life skills education. These services are in both English and Spanish. Each situation can be unique and complex to navigate for an individual. Reach out to the Pathway Catholic Charities program.

My Sisters' Place Shelter

Founded in 1985, My Sisters' Place is a Catholic Charities shelter for women and their children who have a more immediate need to escape a violent situation. Their confidential locations also provide caseworkers and therapeutic children's programming including art and pet therapy. They will also help find temporary shelter for pets until the person is able to get reestablished.
