## First Down with Fr. Eric

Dear Friends,

Jesus and his disciples relied on people financially supporting his ministry along with his disciples. St. Paul relied on the generosity of people who financially supported his ministry. It is interesting that God of power and might allows His works to rely on people choosing to give and share what they have to accomplish His saving deeds. The God of vulnerability is made present again and again in scripture stories and in our present lives today. All that we do as a parish community, relies on people choosing to share what they have to minister to all in the name of the Lord. Vulnerability

means that we risk our success on those who choose to give and we also risk being told no from our own parishioners. This is what it means to minister in God's name.

So this Commitment Sunday we ask all families to remember what this community strives to do, bring the good news of Jesus Christ to every person. Jesus, His disciples, St. Paul and every man and woman who has served God relies on people saying yes.

Please remember your parish community when you consider your financial commitment for this coming year. Please complete your 2022/2023 Commitment Card while you are at Mass this weekend, go to our website to make the year long commitment, or call the parish office to speak to a person who can guide you through the process.

Our outreach to serving all people is made easier when we can fully concentrate on our service without worry of finances. We are so grateful for the many years of parishioners keeping us moving forward.

Peace in Christ,

Fr. Eric

## Stewardship

### Good Stewards of Prayer

There is an interesting twist we find in today's gospel when we hear Jesus' parable of the Pharisee and the tax collector praying in the temple.

The Pharisee is "praying to himself". It doesn't mean he was praying silently. It seems to mean something a lot more troubling, that he is praying to himself; that God is not his prayer's intended audience.

The words of the Pharisee are very much centered on himself: he makes claims about his character. He highlights his own admirable activities.

Good stewards of their prayer lives know that a prayer of praise and thanksgiving should focus on the goodness of God.

Do your prayers of thanksgiving always stay focused on God's unfathomable, immeasurable goodness and generosity?

## Ministry of Care

Ministry of Care includes taking the Holy Communion to the elderly, the sick, and the infirm. It involves sharing in prayer and the word of God during these visits. These visits may occur in the home, at the hospital bed, or in any institution that provides basic care and day-to-day living arrangements to the elderly or those in need.

Ministry of Care reaches out to those Catholics who are away from their Catholic community, bringing prayer, the Eucharist, and fellowship. This week, Joanne W. shared, "I already understood that when people are patients in the hospital, they are at the most vulnerable time in their lives. But what I did not realize was how important it was for people to be able to receive communion while in the hospital. I also did not realize what an impact it would make on me."

If you are interested in serving as Minister of Care, please contact Dr. Lenny Kelley at [lkelly@stpatcc.org](mailto:lkelly@stpatcc.org).

### Contemplative Study Group

The group meets every Tuesday from 9:00 - 10:30 am in the House of Mercy.

The group promotes the spiritual journey of all people and especially those of the St. Patrick Catholic Community through the study of mystical teachers and contemplative prayer, gaining a complete understanding of the Ultimate Mystery and how it affects our relationship with God and one another in community and daily living.

The group is open and welcomes everyone seeking a more intimate relationship with the Divine through study, discussion, and prayer.

## ADULT INITIATION, A WONDERFUL GIFT...with Lenny Kelley

The Adult Initiation process is a wonderful gift from God. How often do we get to take time and reflect on who we are, what we are made for, who is God, and what life is really all about? If you're like me, not very often.

For most of us, the busyness of life gets in the way of discovering who we truly are and what we are truly called to be. It is challenging to ask ourselves who God calls us to be when we are trying to figure out how we will afford our rent or braces for our teenager.

Adult initiation gives us nine months at one and a half hours a week to discover things about ourselves, our God, and our community we don't often have time to think about. We are allowed to discover more about ourselves and our relationship with God. Some may view this time offered for the enrichment of ourselves as selfish. I disagree. When we discover who we are and our purpose in this world, we can become the gift to others we are intended to be. We can serve others with the gifts God has given us.

The adult initiation process is broken into four parts (1) Inquiry, (2) Catechumenate, (3) Purification and Enlightenment, and (4) Mystagogy. These four parts allow the participants to dive deep into self-reflection to better understand their formation as human people.

The inquiry period at St. Patrick Catholic Community is eight weeks long. During the inquiry, we offer a deeper look into topics such as "What is the Mass," "The Liturgical Calendar," and "Who is Jesus." Inquiry is a time when the adult initiation team introduces those inquiring about our faith to the Gospel values our Catholic identity is built upon.

The catechumenate is begun with a RITE celebrating the beginning of a journey moving towards joining the body of Christ with the sacrament of baptism and joining the Church with the other two sacraments of Initiation, Confirmation and First Eucharist. The Inquirer is now considered a catechumen, someone discerning joining the Church. The entire St. Patrick Catholic Community prays with you for your discernment into joining the mystical Body of Christ.

The period of purification and enlightenment is when the individual takes a deeper look into their lives, letting go of things holding them back from building a holy relationship with our Lord Jesus Christ. The Catechumens are encouraged to let go of sin and change their lives to mimic and imitate the life and way of our Lord Jesus Christ. This period is immediately before the individual will receive the Sacraments of Initiation (Baptism, Confirmation, and First Eucharist) at the Easter Vigil. St. Patrick Catholic Community begins this period in the first week of Lent.

Finally, the period of mystagogy starts immediately after the Easter Vigil. This period reminds our Catholic brothers and sisters who were officially made members of the Catholic faith and who are now members of the Body of Christ that our faith journey is a lifelong process. The sacraments of initiation are just the beginning of our Catholic life. We will always have to work on our prayer life and relationship with the Lord.

## Social Justice

**For the victims of domestic abuse:** "Don't they know it takes an average of seven attempts before a victim leaves an abusive relationship? Don't people understand that I live in darkness but am even more afraid of the darkness of the unknown ahead of me?"

**WE PRAY:** Hear the cries of our brothers and sisters, Lord, who have been gravely harmed, and the cries of those who love them. Soothe their restless and burdened hearts with hope, steady their shaken spirits with faith. Grant them justice for their cause, enlightened by your truth. Holy Spirit, comforter of hearts, heal your people's wounds and transform brokenness into wholeness.

**For the domestic abuser:** "It started simply with name-calling and shaming tactics. My questions begin to be asked more frequently, 'Where were you?? Who were you with?'"

**WE PRAY:** It's always difficult, Lord, to look at a troubled and abusive person with a compassionate heart. But what is the root of all of this? Is it generational, is it addiction or mental health? Is it an undiagnosed disorder? Or, did something just get out of hand momentarily? Open our eyes to their brokenness.

**For the first responders, court employees, and shelter staff:** "Several factors can make a domestic violence incident highly dangerous for responding officers..."

**WE PRAY:** Allow them to be compassionate and understanding to the plight of the victim. Help them to not allow the frequency of such calls to develop a jaded heart, but rather one that responds with courage, empathy, and justice. Protect them and give them courage from any encountered violence. That they may all stand strong to speak and protect a victim who is afraid to speak for themselves so the cycle of abuse and violence will be broken for the victim in order to begin anew.

**For our parish:** "This is always a difficult topic to understand and to talk about."

**WE PRAY:** Help us to remember as a faith community and staff that embraces topics that are sometimes difficult to speak about, Jesus engaged with a listening and prayerful heart. Give us that wisdom of heart and mind to help guide our conversations and responses towards faithful understanding. May our charity and justice responses fulfill what you ask in the area of discipleship and love for all. AMEN

*from the Diocese Catholic Schools Office*

For parents registering their children for the **2022-2023 school year**, please note: In order to receive the school's reduced Catholic Tuition Rate, your pastor must determine whether your family meets the criteria set by your parish for **Registered, Active, Participating members**. The definition of registered, active and participating varies by parish, but usually includes attending Mass regularly as well as contributing online or with an envelope to the offertory along with participating in the ministry life of the parish. If you have questions about your family's status, please contact the Parish Office.

**Note:** All Diocesan high school students receiving the reduced tuition rate for the coming year must have their status verified by their home pastor before they can be registered as Catholic.

For St. Patrick Catholic Community Parish School Verification, parishioners must be registered, active and participating members for a minimum of six months prior to submitting their form for verification. For further requirements, please contact Torri Winn at [twinn@stpatcc.org](mailto:twinn@stpatcc.org).

## HOLY TRINITY RETREAT

St. Patrick Catholic Community invites you to enjoy a full day of retreat to reflect upon the unity and diversity of the most Holy Trinity. Chaplain Mary George-Whittle will share insights into the personalities, traits, and characteristics of each person in the Holy Trinity and their relationship to each other and to you. Our hope is to deepen your awareness of how active each person in the Holy Trinity is in your daily life and to gain a wider perspective of how integral relationships are to understanding the nature of God throughout our faith journey.

*Come...the Holy Trinity is calling you to become even closer to God the Father, God the Son, and God the Holy Spirit*
