

FLAT Pat

Hi there! My name is Flat Pat and I can't wait to join you and your family this summer! Whether it's tagging along for a vacation, taking a bike ride or even hanging out with family and friends by the pool, be sure to bring me with you. Simply cut around the image on the front of this card, glue a popsicle stick on this side for easy holding, and snap away. Oh the places we will go this summer!

Post your Flat Pat adventures on social media and tag us!
